DETAILED ACTION

Acknowledgements

1. The proposed drawing amendment filed May 31, 2005 is approved and has been entered.
2. The proposed specification amendment filed May 31, 2005 has been entered.

EXAMINER'S AMENDMENT

3. An Examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. §1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
4. Authorization for this Examiner's amendment was given in a telephone interview with Paul J. Maginot on or about August 15, 2005.
5. The application has been amended as follows:

Cancel claims 27-36.

REASON FOR ALLOWANCE

6. The following is an Examiner's statement of reasons for allowance:
7. The primary reference Dumont (U.S. 5,437,346) ("Dumont '346") discloses a self-checkout system 10 comprising a user interface 35, a scanner 40, a scale 61, and a bag assembly holding bag 51 as shown in Figure 3. However, neither Dumont '346 nor any other reference of record reasonably shows the scale assembly having a shelf with a basket space having a basket position vertically below the shelf. Moreover, one of ordinary skill in the art would find it difficult to modify Dumont '346 to include a shelf with a basket space and basket positioned

vertically below the shelf since the scale in Dumont '346 is close to the floor. Such a proposed modification would require a major rearrangement of parts in system 10 which is not reasonably supported by the reference.

8. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

9. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Andrew J. Fischer whose telephone number is (571) 272-6779.
